Begin by creating reports from the various analytical platforms in JMP®

List of the available reports: select the reports you wish and click Add or click Add All to select all available reports for export

Name the PDF file to be produced

Browse to where the file is to be saved

The screenshot shows the 'JMP TO PDF: Export' dialog box. It features three main columns: 'Add report elements' containing a list of reports and 'Add', 'Add All', 'Refresh' buttons; 'Position report elements' with 'Move Up' and 'Move Down' buttons; and 'Action' with 'Create', 'Cancel', 'Help' buttons and a checked 'Open PDF' checkbox. Below these is the 'Output' section with 'Output Name and Location' containing 'PDF File Name' (PDF Output) and 'Output File Location' (\\vmware-host\Shared Folders\Documents\) with a 'Browse' button. At the bottom, there are links for 'Email Feedback', 'www.predictum.com', and 'Download Instructions', along with 'Copyright © 2010 - 2011 Predictum Inc.' and a 'License' button. A footer bar contains the Predictum logo and name.

Change the order that the reports will be collected for the PDF document.

Check to open the resulting PDF file once it is produced.

Select the reports and then click Add

Change the order that the reports by selecting the report of interest and then clicking either of these buttons to move that report up or down in the list.

The Options area allows you to specify a variety of PDF properties

The screenshot shows the 'JMP TO PDF: Export' dialog box. It is organized into several sections:

- Add report elements:** A list box containing 'Log', 'Big Class - Distribution', 'Big Class - Bivariate of weight by', 'Big Class - Oneway of height by', and 'Big Class - Logistic of age by we'. Below the list are 'Add', 'Add All', and 'Refresh' buttons.
- Position report elements:** A list box containing 'Big Class - Distribution', 'Big Class - Bivariate of weight by', and 'Big Class - Oneway of height by'. Below the list are 'Remove' and 'Remove All' buttons. To the right are 'Move Up' and 'Move Down' buttons.
- Action:** A vertical stack of buttons: 'Create', 'Cancel', 'Help', and a checked 'Open PDF' checkbox.
- Output:** A section titled 'Output Name and Location' containing a 'PDF File Name' field with 'PDF Output' and an 'Output File Location' field with the path '\\vmware-host\Shared Folders\Documents\'. A 'Browse' button is located below the path field.
- Options:** A section titled 'Report Meta Data' containing a table with 'Report Field' and 'Enter Meta Data Text (Optional):' columns. The rows are 'PDF Author', 'PDF Creator', 'PDF Title', 'PDF Subject', and 'PDF KeyWords', each with an empty text input field. A checked checkbox 'Set Creation Date to current Date/Time' is at the bottom of this section.

At the bottom of the dialog, there is a footer with the Predictum logo, 'Email Feedback' button, 'www.predictum.com' link, 'Download Instructions' button, 'Copyright © 2010 - 2011 Predictum Inc.' text, and a 'License' button. A standard Windows taskbar is visible at the very bottom.

The last step: all selected reports will be assembled in one PDF document.

The screenshot shows the 'Add report elements' section with a list of reports: Log, Big Class - Distribution, Big Class - Bivariate of weight by, Big Class - Oneway of height by, and Big Class - Logistic of age by. The 'Position report elements' section contains: Big Class - Distribution, Big Class - Bivariate of weight by, and Big Class - Oneway of height by. The 'Action' section has buttons for Create, Cancel, and Help, and a checked 'Open PDF' option. The 'Output' section shows 'PDF File Name' as 'PDF Output' and 'Output File Location' as '\\vmware-host\Shared Folders\Documents\'. The 'Options' section is collapsed. At the bottom, there are links for 'Email Feedback', 'www.predictum.com', and 'Download Instructions', along with a 'License' button and copyright information for Predictum Inc. A red arrow points from the 'Create' button to the text below.

Click the Create button to create your PDF.
